

Educational Option admissions scoring rubric

Category	Data indicator	Final weight
Demographic factors		
Zip code representation		Factored, but not weighted*
Behavioral factors		
Attendance (7 th grade)	Days absent	30
Lateness in (7 th grade)	Days late	5
Academic factors		
Score on 7th grade math exam	Absolute score out of 400	25
7 th grade courses – 4 core areas	Grade in respective classes	35
Whether students took honors	5 points if one or more attempted	5
	Total score	/100

*Each of the Bronx's 20 zip codes will be allocated an equal number of seats (=the number of total seats/20). After each applicant is ranked according to the rubric weights, they will be divided into groups by zip code. The top ranked students from each zip code will be ranked 1-x (x= the number of seats available per zip code).
